Glass Fusing and Pottery Kiln Fee

The upkeep of the kilns and the electricity they use, places a heavy financial burden on the Society. Therefore we ask glass fusing users and potters to pay a monthly kiln fee of £10 to the society. This can be made via the internet banking details above.

Membership entitles you to attend the weekly art, glass fusing or pottery group sessions at Springfield House in the pottery or the studio. Any member may attend any group for a payment of £2.00 (art and pottery) or £5.00 for glass fusing per session. These sessions are for members to do their own work and share ideas in a sociable environment with other members. Pottery and glass fusing groups are limited in numbers by space restrictions, and therefore your name may have to be put on a waiting list pending an available place on your preferred sessions.

Please email info.stevenageartsociety@gmail.com before attending a group for the first time.

NOTE: By completing this form and returning it to the Stevenage Art Society you are consenting to be added to our membership database. We use this database for sending you further information about the activities of the Society. Your information will not be shared with a third party.
