Glass Fusing and Pottery Kiln Fee

The upkeep of the kilns and the electricity they use, places a heavy financial burden on the Society. Therefore we ask glass fusing users and potters to pay a monthly kiln fee of £10 to the society. This can be made by standing order via the internet banking details above.

Membership entitles you to attend, for a payment of £2.00 (art and pottery) or £5.00 for glass fusing per session the weekly art, glass fusing or pottery group sessions at Springfield House. The sessions are for members to do their own work and share ideas in a sociable environment with other like minded people. Pottery and glass fusing group numbers are limited by space restrictions, and therefore your name may have to be put on a waiting list pending an available place on your preferred sessions. Booking is made via WhatsApp for glass fusing

Please email info.stevenageartsociety@gmail.com before attending a group for the first time.
